

29/06/20

Dear parents

Couple of reminders for our last week at school this term.

Matariki Open Afternoon

Please join us to share our Matariki learning experiences on **Thursday 2nd July**. We invite you to come to take part in the class based activities. This is not a showcase or presentation, just an opportunity to come into our school and work with your child.

While this is going on in the classrooms, our Kapa Haka group will have a session in the hall. Feel free to come in and observe our amazing group practicing and preparing for festivals and school occasions, later in the year. Again, this is not a performance, just a chance to see our group working hard! If your child is in Kapa Haka, they will be in the hall at 2.15pm.

Our open afternoon runs from 2.15pm until the end of the day. We ask you not to arrive earlier than this, as the children will be settling to their tasks and receiving the learning instructions from their teachers.

Pyjama Day/Mufti Day

Our senior leadership team have received some amazing persuasive writing from Year 3 asking for a pyjama day to finish the term off with a bit of fun. We have set our day as Friday 3rd July. This isn't compulsory and there is **no** gold coin donation required. Just a bit of fun to finish what has been a term like no other! With the cold, wet weather, please ensure normal school shoes (no jandals etc) are worn!

Thank you for your support

Ngā mihi
